SHE GAVE UP ALL HER WORK

On Account of Her Weakness, But Cardui, the Woman's Tonic, Brought Back Strength

Summit, Va.—Mrs. Leonora Walker, of this place, has the following to say regarding her experience with Cardui, the woman's tonic. "Before I began to take Cardui I suffered with womanly troubles, and, also, with what I thought was stomach trouble. I was so weak I had to give up all my housework, and could not do any of the cooking."

I commenced taking Cardui, the woman's tonic, and after the third day I began to feel better. Have now used five bottles, and am well, and can do all of my housework and cooking by myself. In fact, I feel like a new woman."

I shall be only too glad to do anything I can to help praise the Cardui Home Treatment, for it is so good for suffering women. I shall never be without it."

For over half a century Cardui has been helping to build weak, nervous, tired-out women back to strength and health. It goes to the seat of the trouble and builds up womanly strength where it is most needed.

Cardui may be the very medicine your system has long been needing. Get a bottle from your druggist to-day. It cannot harm you, and should surely do for you what it has done for so many thousands of others.

Sunday evening at 6:30 o'clock, at the residence of the bride on Commerce Street, Miss Mary L. Johnson and George A. Gibson, both of this city, were united in marriage by the Rev. George C. Successful Revivals.

The revival services in progress for some days at the Grove Avenue Baptist Church have been brought to a close, with the result of a number of conversions and additions to the church. These services were conducted by the Rev. J. R. Johnson, of the Venable Street Baptist Church, Richmond, who will this week go to Danville to commence a series of sermons on State-wide prohibition.

At the revival services yesterday, at the Second Baptist Church, there was a great crowd in attendance, both morning and evening. Several persons professed conversion, and twelve, who had previously been converted, were received into the church. These services, conducted by the pastor, the Rev. F. W. Moore, will probably be closed on Wednesday evening. There have recently been gracious revivals in many of the city churches.

Don't Be Misled if You Have Tuberculosis

No specific has been discovered for Tuberculosis, but Eckman's Alternative has been successful in many cases. Read of this case:

233 Seventh Ave., New York.

"Gentlemen—Five years ago last August I was taken to St. Francis Hospital to be treated for bronchitis and congested lungs. After several weeks' treatment I was advised by the doctor to go to a convalescent sanitarium, but could not be admitted because the doctor at the hospital, after a thorough examination, declared my case tubercular, and gave me a certificate to that effect. I showed the certificate to Father Stark, and he advised me to take Eckman's Alternative, and soon after I took it faithfully, and soon after I was able to leave the hospital, and I have not taken the Alternative now for two years, and can truthfully say, 'well, I feel better and am stronger than before my sickness.'"

(Addressed) MARY ROHMANN.

Eckman's Alternative is most efficacious in bronchial catarrh and severe throat and lung affection, and upbuilding the system. Contains no harmful or habit-forming drugs. Accept no substitutes. Sold by Truett Drug Company and other leading druggists. Write Eckman Laboratory, Philadelphia, Pa., for booklet of recoveries.—Adv.
